

The FCC's Open Internet Rules (net neutrality rules) are extremely important to me. I urge you to protect them. I don't want ISPs to have the power to block websites, slow them down, give some sites an advantage over others, or split the Internet into "fast lanes" for companies that pay and "slow lanes" for the rest. Now is not the time to let giant ISPs censor what we see and do online. Censorship by ISPs is a serious problem. Comcast has throttled Netflix, AT&T blocked FaceTime, Time Warner Cable throttled the popular game League of Legends, and Verizon admitted it will introduce fast lanes for sites that pay-and slow lanes for everyone else-if the FCC lifts the rules.
